(a) whether it is a fact that Indian Housewives' Association in its pre-budget memorandum has appealed to him to contain prices of certain necessary items of daily usage, if so, the details of the memorandum; and

(b) what action Government propose to take to redress the grievances of the Association in the forthcoming budget and if no action is proposed, the reasons therefore?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M.V. CHANDRASHEKHAR MURTHY) : (a) Yes, Sir. The Memorandum presented by the Indian Housewives Federation drew the attention of the Government to the hardships caused to the housewives on account of sharp escalation in prices. It emphasised the need to resist any further price increase particularly in LPG cylinders, baby foods, cereals and pulses, edible oils, medicines for pregnant mothers and infants, stationery for school and college students, school uniforms, milk and low price toiletries. It also wanted withdrawal of tax on telephone services.

(b) Government is deeply concerned about the uptrend in the prices especially of those items which affect the low income families. Government is determined to see that the price of wheat, rice, sugar and edible oils remains stable during the current year. In view of the comfortable foreign exchange reserves position, the Government will not hesitate to augment domestic supplies through imports. Steps have already been initiated to pursuade Industry to pass on some of the benefits of excise and customs duty reduction to the consumers.
